All Principals

Dear Sir,

COVID 19 CERTIFICATION LETTER

As per Health Guide Lines laid down by the Ministry of Education, there has to be a document filled by each player in the team and certified by the PHI in such players area of residence.

But since most schools are finding it hard to get such certification by the respective PHI's, it was decided on the following –

The Principal will issue a letter certifying the following, for the squad of players coming for each match

- Have not been exposed to the Covid 19 Virus
- Have not received Medical treatment from a Hospital in the recent past
- Have not been quarantined, nor are they coming from Quarantined areas
- Do not have any symptoms of Covid 19 virus

Such letter has to be given for each match and addressed to the MIC of the opposing team.

Thank you for your cooperation in this regard

Yours faithfully
