- Venue Managers and the ground Staff.

THANK YOU FOR YOUR TREMEDOUS SUPPORT !!!

Message from the President **Sri Lanka School Cricket Association**

It is with great honor that I present this message for the 2024 report of the Sri Lanka School Cricket Association as the Deputy/Acting President. Over the past two years, we have made significant strides in strengthening school cricket, achieving remarkable milestones that will shape the future of the sport in Sri Lanka.

One of our key accomplishments has been the creation of a comprehensive database of school cricketers, ensuring that their information is readily accessible at any time. Additionally, we have introduced an online match update system, allowing easy access to match schedules and real-time updates. These initiatives have been implemented with the highest level of transparency, enhancing both the accuracy and credibility of the information. We are confident that these efforts will help nurture young, talented cricketers who will bring glory to Mother Lanka on both national and international stages. Many of these promising players now stand at the threshold of national cricket, ready to seize their opportunities.

I must extend my sincere gratitude to the the Ministry of Education ,Ministry of Sports and Sri Lanka Cricket for their unwavering support. Their collaboration has been instrumental in providing young cricketers with opportunities to refine their skills and aspire to greater heights. Our goal remains to develop well-rounded, disciplined players who will be the future ambassadors of Sri Lankan cricket.

As President, I would also like to express my deep appreciation to all Principals, Coaches, Masters-in-Charge of Sports, and the executive committee members for their tireless efforts in elevating school cricket to new standards. I wish you all continued strength and good health in fulfilling your invaluable roles in the years ahead.

Thilak Waththuhewa

Acting President – Sri Lanka School Cricket Association

Message from the General Secretary

Sri Lanka Schools Cricket Association

I extend my sincere gratitude to the Hon. Minister of Education, the Hon. Minister of Sports, the Sports Director, the Former Director, the Assistant Directors, and all officials of the Ministry of Education for their invaluable support to the Sri Lanka Schools Cricket Association (SLSCA).

I also wish to express my appreciation to the President of Sri Lanka Cricket, the Vice President (Domestic Cricket), the General Secretary, the Treasurer, the Chief Executive Officer, and the Heads of Domestic Cricket and the National Development Centre for their generous sponsorship of our tournaments, covering all associated costs. Their unwavering commitment continues to play a vital role in the development of school cricket across the country.

Cricket is a beloved sport that unites communities, and at SLSCA, we take great pride in our responsibility to nurture and develop young players through various age groups. Our ultimate goal is to groom talented athletes who will go on to represent Sri Lanka on the international stage, bringing recognition to both their schools and the association.

In pursuit of this vision, I extend my gratitude to all officials of the Schools Cricket Association, particularly the President, Deputy President, Vice Presidents, Treasurer, Tournament Secretaries, and all other office bearers. I also acknowledge the invaluable contributions of the SLSCA staff, school principals, POGs, MICs, and coaches who dedicate themselves to fostering young talent.

A special note of appreciation goes to the umpires from the Association of Cricket Umpires and the cricket scorers, whose dedication ensures the smooth conduct of school cricket matches throughout the year.

Additionally, I would like to thank **batsman.com** for their technical support in streamlining the school cricket structure. Their expertise has enabled us to implement a digital registration system, ensuring that every player, from Under-13 onwards, is systematically recorded, creating a comprehensive database of player records.

I also extend my sincere thanks to the **SLSCA staff** for their tireless efforts and commitment in supporting the administration and operations of the association, playing a crucial role in its continued success.

Finally, I am grateful to the **President and all officials of SLSCA** for their support during these challenging times. I extend my best wishes to the incoming committee and trust they will continue to uphold the mission of developing school cricket in Sri Lanka.

General Secretary

Sri Lanka Schools Cricket Association
